# Teacher Notes

One winter page for every UFLI skill

1. **Print** the page for the skill your class is working on.
2. Students **read each word and color it** to match the code. Words that don't match stay white.
3. Students **write 3 words** they colored, then **read the sentence and draw it**.

Great for morning work, centers, early finishers, or a winter break packet. The answer key is at the back.
